

IDAHO STATE FIRE MARSHAL 2008 FIREWORKS SURVEY

The Idaho State Fire Marshal's Office is requesting a summary of your IFIRS reports concerning your departments/districts response to all fireworks related calls. This information will be compiled and utilized for any legislative action concerning fireworks. Please complete the survey and FAX it to our office by July 30th.

Number of fireworks related calls?

Number of fires determined to be caused by fireworks?

Number of fires determined to be caused by safe-n-sane (legal) fireworks?

Number of civilian injuries caused by fireworks (if known)?

Number of firefighter injuries related to fireworks calls?

Estimated dollar loss due to all fires determined to be caused by fireworks?

Estimated cost to fire department/district (manpower & equipment) related to fireworks calls/fires?
